

2 CLUB GREATS - INJURED

Last Saturday was a fantastic weekend for the club with an impressive win over North Launceston but it came at a cost with injuries to 2 of our long time favourites – 1999 Premiership Players - Jamie Kaye and David Kamaric.

“Kaysa” injured his back and has spent most of this week in the Hobart Private recovering and he has been in a positive mood that he will get straight into physio and be back wearing the Black and White jumper real soon. Sadly the news for “Disco” was the worst possible, he has to go under the knife and have a full reconstruction of his left knee and will be out for at least 12 months. Typical of David’s attitude he was at training earlier in the week and will be involved assisting what ever way possible for the remainder of the 2009 season.

We wish the boys well with their recoveries and hope to see the No.18 and No.27 jumpers back on their shoulders in the near future.
