

ANOTHER SOLID WIN

In trying conditions at the Lauderdale Oval – the Seniors continued their recent form with an impressive 41 point win which could have been a lot more had we not allowed Lauderdale to kick 4 goals in “junk time” in the dying minutes of the last quarter.

Jaye Bowden, Jesse Crouch, Bryce O’Garey, Jonathon Bowring and Shane Piuselli continued their fine form and must be considered big chances to be selected in the squad to represent Tasmania against Queensland at Bellerive on the 7th of June.

Congratulations to the Reserves on stringing two good wins in a row – which would be pleasing for coach Daniel Lamont. Unfortunately our Under 19’s suffered their 1st loss for the season in the early game.

Ben has had a great start to the season in the Reserves and is putting pressure on the selectors to give him an opportunity at 2pm.

Behind every club there are some wonderful volunteers – this edition we catch up with Barry Hassett – a true club legend – Barry has been involved with the club for over 40 + years in many capacities. This year Barry has taken on the role of assistant property steward and continues in his role as Senior Team Manager.

JW – How long have you been involved and what capacities?

BH – This is my 43rd year. I have had a go at many roles – match and selection committees, but mainly in team manager positions from underage to seniors. I have had a dip at board level a few times but it hasn't been my cup of tea. I prefer to be at the workplace. I was on the committee in 1975 the last year before they changed it to the board of directors.

JW – What keeps you going?

BH – Watching a young player come through the ranks from junior footy to underage, then to be there when they play their 1st senior game. The present **senior** team contains 18 players who are all home grown, says a lot for the people involved in their development – coaches and especially the late great Bob Beakley and his prodigy Steve Maxwell. Also working with such great people as Bob Clark, Terry Button, Dave Pennicott, Bruce Johnson, Michael Gleeson, Steve Maxwell, Peter Quinn, Chris Hutton, John Jones and all the trainers we have been one happy family for a very, very long time.

JW – Who are some of your favourite players that have pulled on the Black and White jumper?

BH – I am glad you said favourite players. Probably not fair to just name a few but first up all the present day players in all teams. Here I go – Trevor Sprigg, Darryl Sutton, Roland Curley, Danny Ling, the two Ben's – Atkin & Careless not forgetting Gary Linton. I saw a bit of Conlan, Strange & Griffiths. Billy Dunne could be explosive, present day – David Kamaric & Jamie Kaye but as we speak both have serious injuries. Shane Piuselli is a great player, Ryan Harwood, Jaye Bowden, Jake Cox, Lynden Carlton & Brayden Webb are all players of our future and then there are quite a few future senior players in the 2's, Under 19's and Under 17's. If they are prepared to put in that bit extra and take the next step forward.

JW – What are your thoughts on the Tasmanian State League?

BH - Looks O.K so far. Been very competitive, no easy games, seems to have attracted more spectators to the games. I hope our supporters continue to support the team and stick with us during the good and bad times. Financially we have to have more support, more sponsorship and a larger injection of money from the A.F.L

JW – Thanks for your time Barry – I don't know where the club would be – if it wasn't for people like yourself. Many thanks for what you do and I hope the boys continue to bring more success for people like you.
