

**INTERESTING STATISTIC.....** Did you know as we go into our 9<sup>th</sup> game for season 2009 that we have already jumped into double figures for the amount of 1<sup>st</sup> year players debuting in Senior football as we go to print there has already been 10 players and possibly at 2pm tomorrow another one making his debut. A wonderful effort by a team that is 5-3 normally a team struggling turns over players at a rapid pace. This is all good for the club's future.

**Tomorrow's** clash against Hobart is an important one before we go into the break for the State clash against Queensland. Good luck to all Magpie teams! Don't forget the after match awards will take place back at the club around 5.45pm and also the weekly draw of the "200 Club".

*Congratulations to Brayden Webb, Lynden Carlton and Ryan Harwood who are currently representing Tasmania in this year's U/18 National Championships. The Football Club, "Sunday School" and the New Town / Glenorchy Past Players & Officials group have assisted the boys with some of their costs for the trip.*

## DALE AYRES

Just over a week ago "Chippa" was unable to play Reserves football due to school football commitments. To the surprise of our senior coach Ben Reid – Dale played U/17 football the next day against Kingborough at KGV on the Sunday. Dale was selected last weekend for his senior debut and kicked an opportunist goal in the 1<sup>st</sup> quarter and didn't look out of place. Congratulations and best wishes for the future.
