

TASSIE TEAM DOES EVERYONE PROUD.

What a great weekend for Tasmanian football with the state side doing us proud with a wonderful win over a Queensland outfit that 2 seasons ago won at Aurora Stadium.

One of the most pleasing things to come out of the game was that apart from 3 interstate players who have played all their Senior football in Tasmania – the team was made up of home grown product.

Glenorchy was represented by our Captain Shane Piuselli who was also Co-Captain of the Tasmanian team with Burnie's Justin Plapp, Mid-fielders Jesse Crouch and Bryce O'Garey, Wingman come Half-forward Jaye Bowden and unfortunatley Jonathon Bowring just missed the final cut.

SENIORS

Tasmania	20.9	129
Queensland	11.14	80

Glenorchy Goal-Kickers: Jaye Bowden 2, Jesse Crouch 2

Glenorchy Best Players: Shane Piuselli (Tied for Lefroy Medal), Jesse Crouch (6th)

NEXT GAME

VERSUS
Glenorchy Clarence
This Saturday
@ K.G.V Oval

OURS BOYS

Jesse Crouch, Shane Piuselli, Bryce O'Garey, Jaye Bowden, Jonathon Bowring (Emerg)

- In the earlier game the Tassie Mariners were stiff in going down to Vic. Country by 14 points. At one stage the Mariners led by 5 goals but the Vic's got themselves going in the last quarter. Our boy - Ryan Harwood received 2nd mention and certainly didn't harm his chances of being picked up later this year in the National Draft.

SHANE PIUSELLI – TREMENDOUS!

To be chosen for his State was an honour, to be chosen as Co-Captain was a surprise than to top it off winning the Lefroy Medal capped off what must have been a dream weekend for our Captain – Shane Piuselli.

Shane who has played in Glenorchy's last two Premierships in 2007 and 2008 never took up the option of having a crack with the Devils, however many Glenorchy people never doubted that he had the ability and talent to succeed at a higher level.

Congratulations Shane it is an awesome effort. You join a select few Magpies that have won the Lefroy Medal – Our 1st back in 1965 Max McMahon (Tied), Darryl Sutton in 1979 and our most recent David Pearce who won this medal in 1986.
