CHECK THIS OUT...

Stumbling through AFL Club websites I came across a section on the Brisbane Lions website where you could put the tough questions to Ashley McGrath (Better known as "Cory") - look at one of the questions I found -

What is your favourite AFLQ side – besides the Lions Reserves of course?!

Troy

I actually like to watch the Yeronga Devils. They play in the lower divisions in the AFLQ.

I have a few mates who play with them and I like to go down and have a few laughs every now and then.

Go King Rabbit!

Aggh.... Rabbit you continue to dominate..... unbelievable! By the way thanks for looking after your protégé Frenchy, Curlys, Shitty and Kayser recently.
