

A WONDERFUL WIN OVER OUR "ARCH-RIVALS"

In wet conditions at KGV – the Magpies played some wonderful team football to get the points at the final siren.

Still smarting from our loss to Clarence in round 2 – the coaching staff worked overtime with last weeks break to get the right match ups and get our season back on track after the surprise loss to Hobart a fortnight ago.

NEXT GAME

VERSUS

Glenorchy Nthn. Bombers

This Saturday

@ Aurora Stadium

Best Players: Brayden Barwick, Bradley Davies, Sam Woods, Brad McKenzie, Ben McCauley, Jake Atkin

How good does this look? It is only a month away until the new grand stand will be ready for use and it already looks quite impressive.

THE COFFEE CLUB.

GLENORCHY UNDER 14 & UNDER 15 DEVELOPMENT TEAMS

In the first week of the TSL Talent ID series the under 15's games were cancelled due to the weather however the under 14's side coached by Craig Carter and Lance Robottom took to the park on the Tuesday and played some fantastic Football against the Lauderdale and Hobart squads.

With the under 14's side showing great character and starting to gel well together in the second game the boys battled out well and showed some great signs with some solid on field performances. In the second week it was a reversal with the under 14's games cancelled on the Tuesday however the under 15's squad played at Fergusson Park Brighton.

The first game of the under 15's against North Hobart was a close encounter however some good Football was played by both sides with Glenorchy winning the match by 5 points. The second game against Clarence was a tough match which saw the Glenorchy boys defeated however the way the boys handled themselves was exceptional and they battled it out to the end.

Players will now be chosen to represent a western and northern team with selectors to pick a squad to represent the South against the North in September. A Big thankyou goes out to senior players who assisted with the squads Luke Potter, Dale Ayres, and Josh Arnold and also to Peter Quinn and the trainers for their assistance. Also a major thankyou goes to Craig Carter and Lance Robottom who coached the under 14's side.
