

A POLISHED DISPLAY....

In conditions not used to (twilight game) the Seniors played a fantastic brand of football particularly after half-time. Going into the game we were equal on points with the Northern Bombers but we certainly enjoyed the big space of Aurora Stadium and used it to our advantage.

The form of Jonathon Bowring is simply outstanding! No other way to put it and full credit to him. The continued great form of Bryce O'Garey, Jesse Crouch, Jaye Bowden and David Hunt is very pleasing and the emergence of Marcus Parker is full credit to the coaching staff.

In the earlier games the Reserves had a fantastic win with everyone playing their role in a percentage booster. Whilst our Under 19's played Burnie at Invermay Park in the early game were beaten by a better side in the Burnie Dockers but showed some good signs and had their chances.
