

SENIORS - CONTINUE TO MARCH...

Saturday's win against South Launceston was a great result having not played the "Bulldogs" at all in season 2009. As mentioned in Friday's preview South Launceston don't have a lot of big name players but are an honest lot and need to be respected.

The first two quarters were fairly lacklustre with the boys going into half-time with a 24 point lead. After a little rev-up from coach Ben Reid the boys came out firing with a six goal quarter whilst keeping South goal less and much the same in the last quarter slamming on 8 goals while allowing the "Bulldogs" to kick 6 goals running out winners by 70 points.

In the early game our Reserves were very dissapointing after having a great month and our our under 19's had a percentage booster running out winners by 107 points. Congratulations to the under 17 players who stepped up this week.
