BRODIE MOLES

Congratulations to Brodie who made his Senior debut yesterday for the Western Bulldogs against Richmond at the MCG. Brodie has had a tremendous pre-season playing in the 'Bulldogs' pre-season NAB Cup Premiership team.

Brodie was rookie listed after spending two seasons on Geelong's rookie list and whilst having excellent form with the Cat's VFL team couldn't break into their line-up.

We wish him well for a long term career in the AFL.

Who would have thought that life after football would have led to Damian McIver (Best and Fairest winner 2008) replacing long time ABC Television football commentator Chris Smyth?

Damian made his debut on ABC calling with Andy Bennett the Hobart versus North Hobart game at the TCA and didn't sound out of place.

Good luck with this venture 'Macca'.
