GREAT TO SEE YOU AROUND AND INVOLVED

Yesterday at KGV saw Sam Chivers (Left) and Lyndon Carlton (Right) involved as our Senior Runners. Both guys suffered from knee reconstructions and are now back into rehab. Lyndon is confident of playing half-way through the year with the club and Tassie Mariners whilst Sam is out for the 2010 season and looking forward to being back in 2011. It is great to see you both involved.

AFL TASMANIA U/14 & U/15 DEVELOPMENT SERIES

On the 8th & 9th of April selected kids from Glenorchy, New Norfolk and Claremont came together to represent the Glenorchy U14 & U15 Development Squads. These games were an opportunity for AFL Tas to recognise talented juniors for future state and Mariners programs, whilst also progressing their football skills. Scores weren't kept but it is fair to say that both teams gelled really well and done the GDFC proud. A special thanks to Jon Bowring and his assistant Lance Ro bottom for coaching the U/15s also to Dave Hunt on assistant coaching the U/14s and finally to Peter Quinn who was the head trainer for both days. Thanks to all who participated,

Cheers - Jaye Bowden
