EDITION: 26 DATE: 15th June 2010

It was great to see Representative football back at KGV on the weekend played in good conditions. Plenty of great feedback on our new facilities and well done to the volunteers of the club who made Saturday's game run smoothly. Also well done to Angus Adams for all his hard work.

Interesting to see a number of former Glenorchy boys involved with the Under 19 game and Senior contest - Ashton Arnold (Claremont), Nick Santi (Claremont), Sean Salter (Brighton), Patrick & Nathan Ross (New Norfolk) and Sam Cornish (Central Hawks).

Let's hope some of these guys and others decide to challenge themselves at some stage and return to KGV Football Park.

It was a tough day in the office for the Tasmanian team last Saturday against Queensland at the Southport Oval after getting out of the blocks well, the boys were never in the contest going down to the Maroons by 79 points.

TAKE 2.....

Last Saturday evening's function with Sam Kekovich was unfortunately cancelled when Sam was caught up with the security breach at the Tullamarine Airport. This forced many flight delays around the country.

This function will be re-scheduled as soon as possible.

Apologies for any inconvenience that occurred.
